

Letter of intent  
regarding partnership and cooperation in the  
GAME LAB Center - International Laboratory of Game and Design  
between

University of Silesia in Katowice, Poland and

.....

Article 1

The purpose of establishing the Arts and Research Center named GAME LAB Center - International Laboratory of Game and Design is to develop and maintain cooperation between the representatives of areas of art and science and the broadly defined creative industry.

The founding team includes the representatives of the University of Silesia in Katowice and partners who carry out the GAME LAB – International Laboratory for Game Studies and Design project, financed by the Polish National Agency for Academic Exchange.

The number of the Arts and Research Center members may be increased to include other partners, depending on the undertaken creative activities and projects.

Article 2

The party shall ensure cooperation focused on generating financial resources for scientific research and artistic activities.

Article 3

This letter of content does not constitute any financial liability for any of the parties.

Prof. dr hab. Małgorzata Łuszczak
